Tuition fee : INR 5700000

College of Medical Sciences, Bharatpur

Nepal Medical Institute was the first new hospital to receive the Certificate of Merit in 1993 and recognized the first category of MBBS students in 1996, for its revolutionary medical education.

It is accredited by the British Medical Council, Sri Lanka Medical Council, Nepal Medical Council and Kathmandu University. It is also listed in the World Medical Schools Directory published by FAIMER USA and the World Health Organization. Also, personal development is facilitated by providing people with more opportunities to improve their treatment and communication through some of the experts in the Copy market. We aim to equip our graduates with lifelong competence, compassion and respect for care in the delivery of health services, thereby helping governments fulfill their responsibilities to work for society.
